

“THAT BRAIN OF MINE IS SOMETHING MERELY MORE THAN MORTAL”
ADA LOVELACE

WOMEN IN SCIENCE, TECHNOLOGY, ENGINEERING, & MATHEMATICS

ASPIRATION DAY for YEAR 11 GIRLS

24th November 2015

9.30–16.00

Wadham College, University of Oxford

Students will have the opportunity to learn more about Ada Lovelace, Science, Technology, Engineering, and Mathematics (STEM) at Oxford, A-Level choices, and Wadham College. They will also take part in a programming workshop with a biomechanical theme at the Department of Engineering Science, University of Oxford.

Places are limited and application is essential: schools can apply for a maximum of 3 student places (plus 1 teacher's place to accompany them).

Application deadline: 23rd October 2015
